

Healing Touch Level 1

♥ Foundational Discovery

Use Healing Touch to Support Natural Healing for Body, Mind & Spirit

Healing Touch is a **safe and effective** energy healing therapy that **anyone can do**. In this live experiential class, you will learn to use heart-centered intention and your hands to facilitate **clearing and balancing the human energy system**. You will leave the class with the skills you need to use Healing Touch for your own healing and self-care, and also with family and friends. Since 1989, Healing Touch Program has been teaching nurses and people from all walks of life to use Healing Touch. Our **standardized curriculum** taught by our Certified Instructors fosters personal and professional growth using demonstration, practice exchanges, lecture and interactive discussion. Our **free online Support Library** has resources to support your Healing Touch practice, continued learning and self-care.

You will learn:

- 12 healing techniques you can use immediately to **relieve pain and support healing** in yourself and others.
- Heightened **awareness of subtle energy** and the human energy anatomy, and how it is connected to mind, body, emotions and spirit.
- Knowledge of how to **assess and evaluate the seven chakras and energy fields**.
- Ways to **maintain balance in your own energy system** so that you can thrive.
